CERTIFIED PUBLIC ACCOUNTANTS

Does your *Certified Public Accountant* specialize in the education industry? Working with a Certified Public Accounting firm that understands the many financial rules and regulations of the U.S. Department of Education is critical.

Our knowledge of financial and Title IV (financial aid) compliance regulations uniquely position our firm to provide our clients with the service they require in today's regulatory environment.

Our firm is managed and staffed by experienced individuals. Our principals have over twenty years of experience in accounting, auditing, and business advisory services in the education industry.

## Quality

Our staff is measured by a standard of performance that embraces dependability, adaptability, productivity, quality, and integrity.

"Alvarez & Mendoza, PA is a firm of experienced Title IV auditors. Their knowledge and experience gives us the comfort we need from an auditor."

American Medical Academy  
Miami, FL

Our firm is peer reviewed, quality control reviewed by the Non-Federal OIG team and a member of the AICPA's governmental quality audit center.

## What we do

We perform financial and compliance audits under generally accepted government auditing standards throughout the U.S., attestations in support of program reviews, bookkeeping, tax returns, acquisition due diligence and we are always available to answer your questions year-round.

Our Education group is led by Domingo Alvarez, CPA. Domingo has over 20 years of experience in the education industry, volunteers significant time as a member of various state Associations of Postsecondary Schools and Colleges and is a frequent presenter in industry specific seminars.
